We are introducing a new and improved website to all our customers.

## Steps for First Time Login

**Step 1:** Transpharm website Address: [www.transpharm.co.za](http://www.transpharm.co.za)

**Step 2:** If you are an existing customer that has been contacted to be registered for the new website sign in here.

Your One-Time pin will be sent to you on the email address/Cell number that was registered on your account when verified for migration.

If you have not yet been contacted to register, kindly send an email to [clientservice@transpharm.co.za](mailto:clientservice@transpharm.co.za)

# New Exciting Website Features

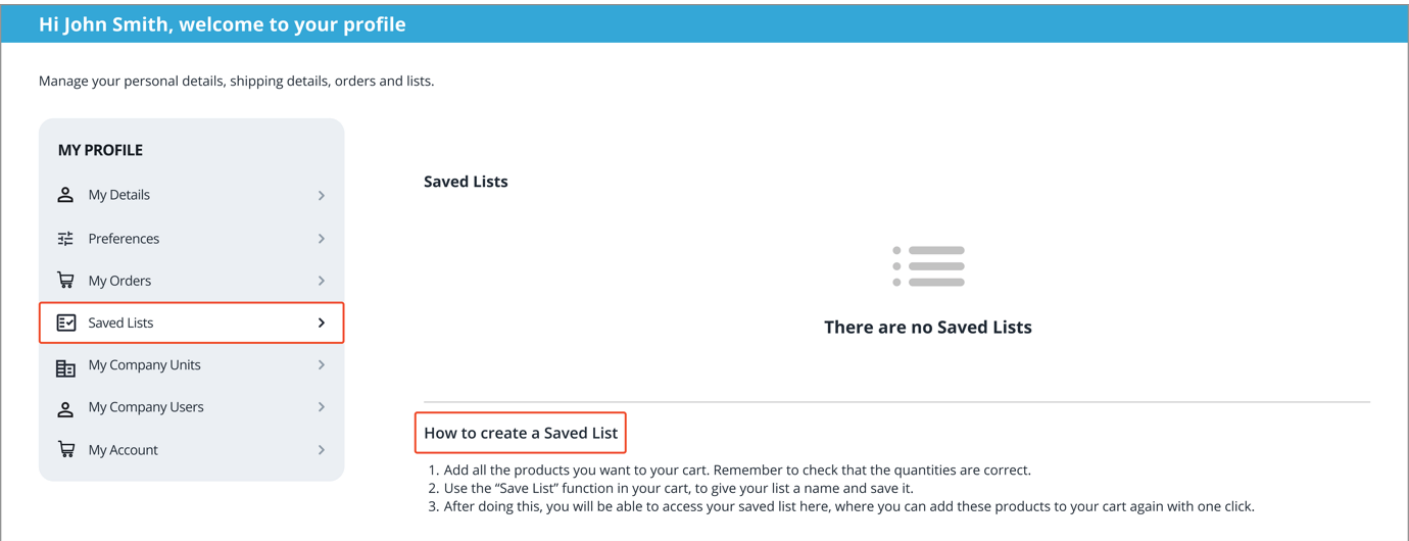

Now that you have been signed into your account you can view your personal account details here:

You can view your order details and order status.

You can view your saved List of items.

Should you have more than one Business account with Transpharm, you can link them all under My Company Units and you can add additional users to your Company Profile to place orders on your behalf.

When enlarging a product, you will see full details below.

The product description explains in full, detailing the product features and benefits.

Product Details	Specs	Reviews	Shipping
<p>This dietary supplement contains vital fatty acids, vitamins, biotin, inositol and zinc and aids in the management of skin conditions in your pets. It also contains vitamin E, to ensure a consistent supply of important vitamins and minerals, as well as a 5:1 ratio of Omega 6 and Omega 3 fatty acids, which relieve dry, itchy and scratchy skin conditions. It comes in a convenient pump bottle, which makes it simple to administer the appropriate dose for your pet's needs.</p>			

Additional product details provide more information to describe product attributes and more.

Transpharm Classification Class	
Fridge Item	N
Schedule	N
